

Host a Synod Assembly Watch Party!

Gather. Worship. Connect.

This year's **Synod Assembly** will be held over Zoom, but that doesn't mean you have to experience it alone! **Host or join a Watch Party** and make the most of the day by gathering with others in your conference for worship, fellowship, and meaningful conversations.

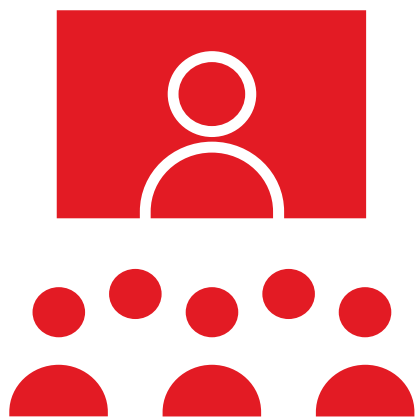

Why Join A Watch Party?

- ✓ **Worship Together** – Experience assembly worship in community.
- ✓ **Table Conversations** – Engage in rich discussions with fellow Lutherans.
- ✓ **SWAG** – Enjoy some exclusive goodies just for Watch Party attendees!
- ✓ **On-Site Fellowship** – Share refreshments, laughter, and time together.

What Does It Take To Be An "Official" Watch Party?

- ✓ **At least 5 congregations** coming together for the party
- ✓ **Strong, Reliable Wi-Fi** for Voting Members to access the voting app
- ✓ **Tech Setup** – A projector, screen, and camera for the best experience
- ✓ **Reimbursement available** for refreshments provided!
- ✓ **Register with the Synod Office** by March 31
